190 Anza Street, Fremont, CA 94536 // [Info@Museumoflocalhistory.org](mailto:Info@Museumoflocalhistory.org) or (510) 623-7907

Hours: Wednesdays and Fridays 10am-4pm & every second Saturday and Sunday 10am-4pm

The Higuera adobe, built between 1830-1840, is one of the last remaining adobe buildings from the Spanish-Mexican era in the Tri-City area.

- Experience what life was like on this California rancho.
- Discover the early use of the land and its natural resources.
- Learn about people who lived or passed through this place over time including the Ohlone, the Spanish and Mexican immigrants and the settlers and farmers who followed them.

A hands on history program including:

A tour of the adobe, candle making, adobe brick making, cattle roping and branding.

A discovery tour of the park emphasizing the natural environment.
