

**Regena Dennie Memorial Fund**

You are invited to contribute to the Regena Dennie Memorial Fund at the Museum of Local History, which focuses on Washington Township History.

Regena was a charter member of the Museum of Local History Guild. She led the docent program for many years and served on the Board of Directors until she took a leave of absence because of her illness.

The money will be used to help process, digitize and index significant collections at the museum and make them more readily available to students and researchers.
