

School Tours at the Museum of Local History for Third Graders

Museum of Local History Guild

190 Anza Street, Fremont, CA 94536 // Info@Museumoflocalhistory.org or (510) 623-7907

Hours: Wednesdays and Fridays 10am-4pm & every second Saturday and Sunday 10am-4pm

We invite you to bring your class, or send your students, to the Museum. Our little museum is the perfect place for an intimate journey into the past. We have a new program designed to make your students' visit interesting, engaging, and fun!

Explore the Tri-City area (Fremont, Newark, and Union City) from the settlement of Washington Township through the development of our cities. All tours include highlights of the Museum's long-term exhibits. We currently offer two types of tours.

The first type of tour is a docent-led class tour at the Museum or at the Higuera Adobe

- Orientation about the city/town development of the Tri-City area using aerial photos
- Tour of the Museum or Adobe using focus questions and the discovery method
- Activities related to settler/early town development life, including 'cowboy corner', 'washing day', and 'fun times'

Details

- \$150.00 per class of 25 or more students
- One chaperone per every five students is required (no charge for chaperones)
- Two hour tour
- Tour times: Wednesdays and Fridays from 10:00 am to 12pm, 12pm-2:00 or by arrangement

The second type of tour is a self-guided tour with parents at the Museum

- Students are given an assignment to visit the Museum as part of a research project in which they discover more about the history of the Tri-City area.

Details

- \$2 per visitor (adults and children) or \$5.00 per family of 3 or more
- Orientation about the city/town development of the Tri-City area using aerial photos (can be docent-led)
- Self-guided tour using a booklet with focus questions
- Please notify Museum staff as to when students can be expected
